WE ARE UPDATING OUR Official Community Plan

To accommodate and plan for the growth of our community in the coming decades, the City of Abbotsford is updating its key community planning document, the **Official Community Plan (OCP)**.

**Get involved and
shape your city!**

WHAT IS AN OCP?

An OCP sets out the long-term growth vision of a community. It is a statement of objectives and policies that guide land use and development decisions to support the needs of residents and businesses for the next 25 years.
