

Today's Official Community Plan

Vision

Abbotsford is a city of distinct and increasingly complete neighbourhoods rich with public life. Our compact urban area is anchored by a thriving City Centre and surrounded by remarkable natural areas and flourishing agricultural lands. We are diverse, inclusive, and connected. We are green, prosperous, and healthy. We are a vibrant and beautiful community.

Big Ideas

The OCP is organized around 7 Big Ideas that are the most essential and transformative ingredients of the plan. The 7 Big Ideas are designed to reflect and implement the vision of the OCP.

Create a City Centre

Improve Natural & Built Systems
