1 PROJECT OVERVIEW: NEW MCKEE NEIGHBOURHOOD PARK

WHAT'S HAPPENING

The City of Abbotsford is planning a new neighborhood park in the McKee Neighborhood area to serve the needs of local residents.

The new park will be located at 36676 Dianne Brook Ave.

The park spans approximately 2.6 hectares within a quiet single-family neighbourhood. At the northwest corner of the site along Dianne Brook Ave, a smaller flat area will serve as the park's main entrance and amenities hub, while the remaining land will remain a large forested natural open space.
