1 PROJECT: RIDGEVIEW PARK SPLASH PAD AND PLAYGROUND

WHAT'S HAPPENING

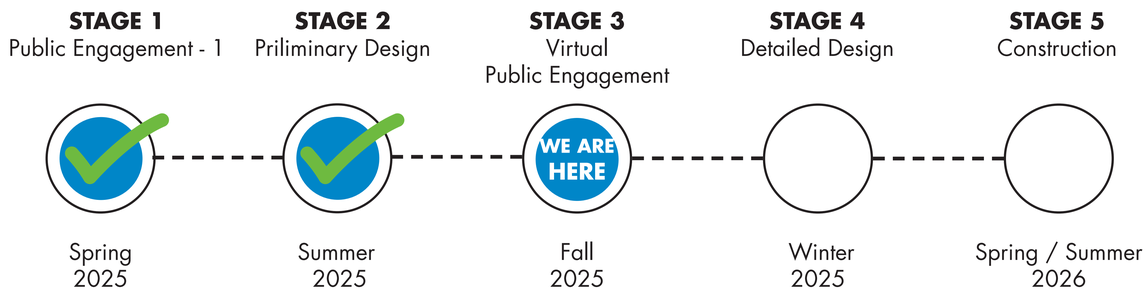

The City of Abbotsford is planning to construct a new splash pad and replace the existing playground at Ridgeview Park.

The new splash pad and playground will be located near the main park entrance in a similar location as the existing playground. These additions will complement the existing park amenities, and provide a fun, interactive, safe, and accessible space.

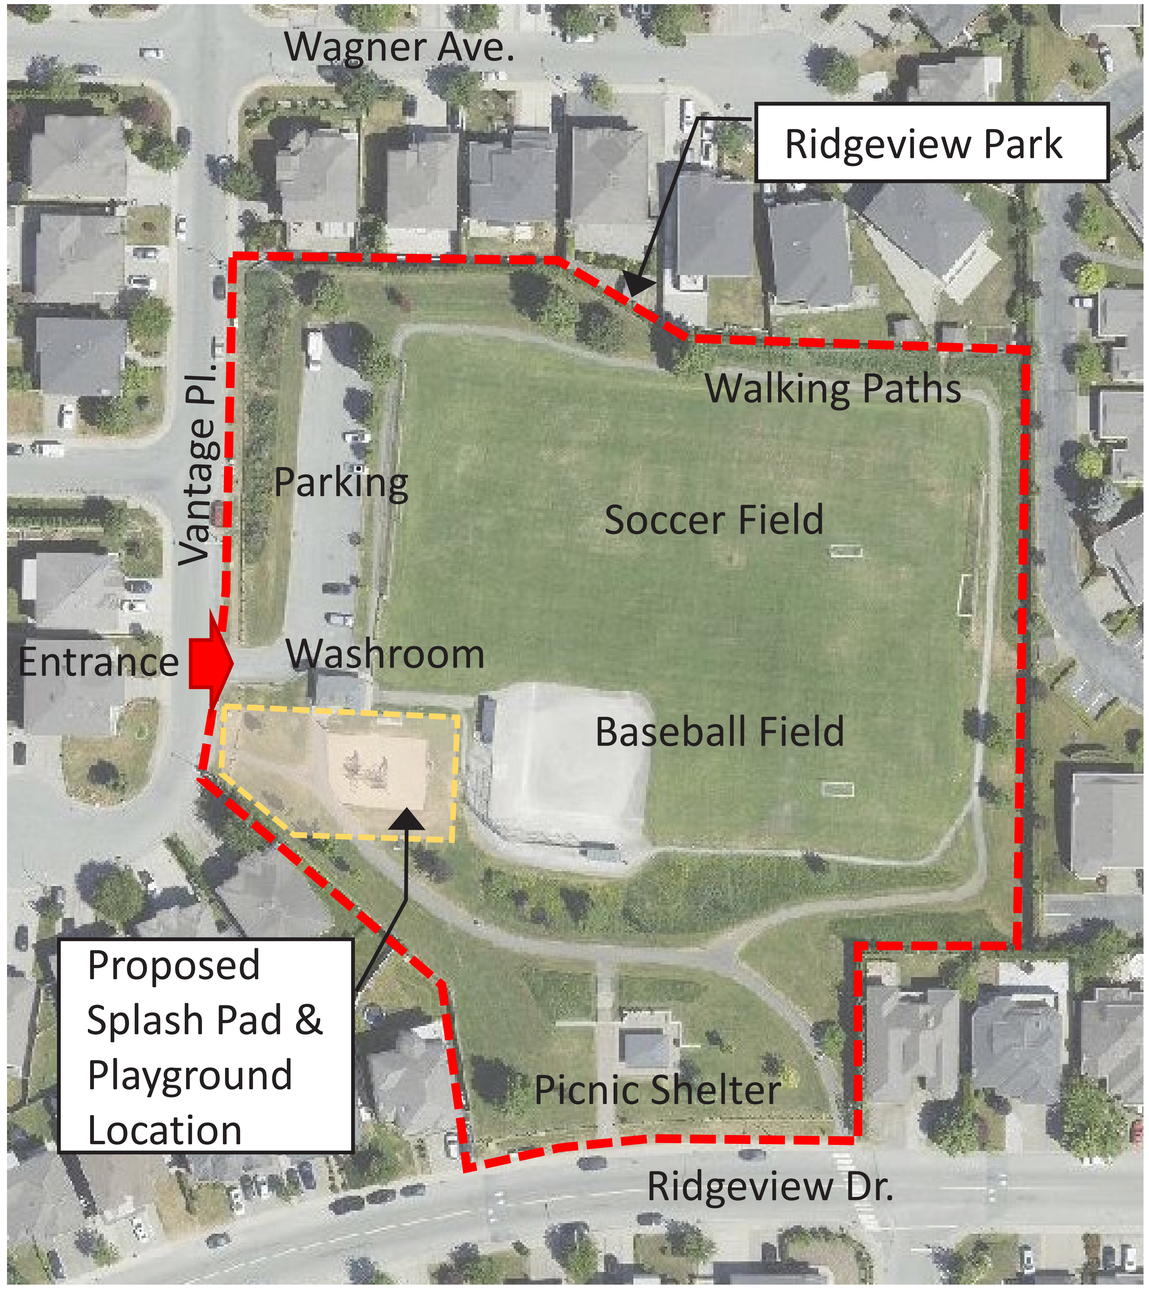

From March 13, 2025 to April 14, 2025, the City of Abbotsford gathered your ideas for the splash pad and playground through an online survey and neighbourhood event.

Now at Stage 3, the Parks Planning team is seeking your feedback on two proposed play feature options for the new splash pad and playground.

PROJECT PROCESS

2 WHAT WE HEARD: Ridgeview Park Splash Pad and Playground

These are the top results gathered from the March 13, 2025 to April 14, 2025 online and in-person engagement events.

WHAT YOU SAID

1. Most survey participants love the idea of adding a new splash pad and replacing the old playground at Ridgeview Park.
2. People enjoy using the walking path, lawn, washroom, and picnic shelter in the park. Existing amenities should be maintenaned.
3. Design the splash pad and playground to meet the play needs of children of all ages and abilities.
4. Top 2 voted splash pad features are spray-up and splash-down features.
5. Top 3 voted playground features are swings, climbing features and slides.
6. Many participants would also like to see more seating areas, picnic tables, trees, and plantings in the park.
